The graphic features a vibrant yellow background with a dotted pattern. On the left, there are two circular photo cutouts: the top one shows a group of diverse children's faces, and the bottom one shows a group of children running on a grassy field with a soccer ball. The text is arranged in a central, eye-catching layout with various colors and fonts. A purple arrow points right above the word 'Kids', and a pink arrow points left below the word 'CAMP'. The overall design is playful and energetic.
